### **More than 300 people at the Beaubassin-est Halloween Party at the PETL School**

More than 300 people attended the Beaubassin-est Halloween Party at the Grand-Barachois Père-Edgar-T.-LeBlanc School (PETL) on Wednesday, October 30th. They visited the Haunted House prepared with members of the school's student council, attended a safety presentation on Halloween and the children received candy bags. In addition, all students and teachers at the school also visited Haunted House on Thursday, October 31st.

"This first collaboration between the Rural Community and the school to organize the Halloween Party was a success," says Carole Friolet-Landry, Community Communication Officer at Beaubassin-est. "The Beaubassin-est and school staff prepared the structure, provided equipment, advice and helped with some projects, but it was the students who came up with the ideas and designed the different scenes, and acted as the characters of the Haunted House".

Several Council members and volunteers from the community also collaborated with the organization and the activity. Thank you to all participants and see you next year!
