Monday, May 25, 2020

Do your part for the EcoVision2025 Community Cleanup in Shediac, Cap-Pelé and Beaubassin-est

EcoVision2025 invites the Shediac, Cap-Pelé and Beaubassin-est residents to participate in the community cleanup near their properties from May 31 to June 8, while following certain tips:

- Participate only with the people who are part of your bubble while following Public Health measures and recommendations;
- Make sure you maintain a physical distance of at least two meters from neighbors;
- Wear gloves and a mask;
- Once the collection is complete, place the collected waste in the same bags as your household garbage; and
- Don't forget to wash your hands.

Participants are asked to take photos during their cleaning activities and send them to the email address of their municipality indicated below. The photos will be published on our Facebook pages. You can also share them directly on social media with the hashtag #NettoyageEcovisionCleanup2020.

Young participants can also send drawings illustrating their cleaning activities. They will also be published on the Facebook pages and participants will be entered in the draws. The three municipalities will indeed draw prizes among the people who have sent photos and drawings. The winners will receive participation prizes such as gift cards valid at local businesses.

Beaubassin-est residents who wish to obtain garbage bags and gloves can contact the Rural Community at 532-0730, and we will distribute them while supplies last. In terms of waste collection, residents of Beaubassin-est and Shediac must use the three bags sorting system and place them at roadside on the day of their usual collection, while respecting the schedule for that week (blue vs clear). In Cap-Pelé, people can also call 577-2039 during business hours and a municipal truck will pick up the garbage bags that will be by the roadside.

Vision H₂O and the Shediac Bay Watershed Association are also collaborating in the organization of this great EcoVision2025 Community Cleanup. If you have any questions, please do not hesitate to contact your municipality at the coordinates below:

Shediac	Tel : (506) 532-7000 / Email: info@shediac.ca ;
