Pickleball Beaubassin offers a free pickleball clinic at the Cormier-Village Center

Want to learn to play pickleball? Register to participate in a free clinic offered by Pickleball Beaubassin on Wednesday, March 17 from 6 p.m. to 8 p.m. at the Cormier-Village Cultural and Sports Center. Raoul LeBlanc and Louis Melanson will run this clinic, which is open to the entire population.

You must wear mask, indoor sneakers and comfortable clothing, but all pickleball equipment will be available on site, including racquets and balls. A maximum of 12 participants will be accepted so don't wait to register by contacting Pete Belliveau, Beaubassin-est Community Development Officer, by sending an email to pete.belliveau@beaubassinest.ca.

This activity is possible thanks to a grant offered to the Beaubassin-est Rural Community under the Active Communities Grant Program of the Sport and Recreation Branch of the New Brunswick Department of Tourism, Heritage and Culture. The Pickleball Fun in Beaubassin project aims to support the development of pickleball in the community, given the growing interest in this sport among our citizens.
