Grand-Barachois Valufoods offers a grocery delivery service in Beaubassin-est

Since the transition of Zone 1 to the orange phase (one family bubble only), some citizens have told us that they would like to have a home delivery service for groceries, as we had set up last spring, especially for vulnerable people. The Grand-Barachois Valufoods store will therefore start delivering again, with the help of the Grand-Barachois Knights of Columbus.

The delivery service will be available on Mondays, Wednesdays, and Fridays at a cost of \$5. To take advantage of this, send your order by email at gbvfdelivery@gmail.com by placing "order for delivery" in the subject line. Add your order with the name of the product you are looking for with the quantity you wish to buy, and add your name, address and telephone number. Payment must be made prior to delivery by credit card over the phone or by e-transfer. Once payment is confirmed, your order will be prepared for delivery as soon as possible.

The Marché Au Corner - Cap-Pelé Freshmart offers a curbside pickup service, but if we made the transition to the red phase, a delivery service could also be offered. To place an order, call 577-4996 or send an email with your order to marcheaucornermarket@outlook.com with the title "Commande/Order". Indicate your telephone number and they will join you for payment with credit card. Contact them if you don't have a credit card to make another arrangement.
