Beaubassin-est collaborates with schools so that young people have great and safe activities

Beaubassin-est gave \$4,900 in grants so that young people in our community have great activities for Halloween and Christmas, instead of organizing public activities that could become places of transmission of COVID-19. The Père-Edgar-T.-LeBlanc (PETL) school in Grand-Barachois received \$2,730 while the Donat-Robichaud school in Cap-Pelé received \$1,170. The municipality also contributed \$1,000 to the Les Petits Barachois event which generated \$12,215 in donations to collaborate with the PETL school to ensure that families with a modest income have a great holiday!

Donat-Robichaud School Director, Jolyn Thériault, Beaubassin-est Mayor, Louise Landry, and PETL School Director, Pierrette Gallant.
