## INSTRUCTIONS TO FOLLOW

- Waste must not be on the roadside more than a week before the collection date, but must be at roadside before 4 a.m. on collection day.
- Waste for the special collection and waste for the regular collection must be separated.
- Building materials will not be picked up during the special collection, like wood, insulation materials, Sheetrock, roofing materials, etc.
- Maximum of 5 large items per residence (household appliances or white goods).
- A maximum of 8 car tires, without the rims, will be collected.
- All other waste must be properly bundled and not weigh more than 23 kg (50 lbs).
- Tree branches must be bundled and not exceed 60 cm (23 inches) in length and not weigh more than 23 kg (50 lbs).
- Non-collectable waste, such as car parts or any equipment having a gas or oil tank, will not be collected.
- Household Hazardous Waste (HHW), such as cleaning products, paint, fertilizer, will not be collected.

### PLEASE NOTE:

Due to the COVID-19 pandemic, there may be some delays with the Spring Special Collection. Make sure to respect schedule, but some routes may need to be changed for uncontrollable reasons and we ask that you be patient if changes occur. Call 506-532-0730 or visit beaubassinest.ca for any changes to the schedules for special and regular garbage collections.

The Mobile Eco-Depot should be in Beaubassin-est on July 8 and 9 from noon to 8 p.m., in the Grand-Barachois Hall parking lot. However, since the Mobile Eco-Depot service is currently canceled until further notice, consult the Southeast Eco360 website, eco360.ca, to find out if it will be offered on the dates announced. Thank you for your understanding.
