Beaubassin-est donates \$40,000 to Grand-Barachois Hall

The Beaubassin-est Rural Community made a donation of \$40,000 to the Grand-Barachois Hall at the regular meeting on February 18. This money will be used to finance an extension for the installation of showers and a storage space.

The Grand-Barachois Hall is one of four warming centers for Beaubassin-est in the event of an emergency such as a prolonged power outage, and the addition of showers will certainly meet a need. In addition, the Hall offers a variety of activities for our residents, in addition to serving our citizens who wish to organize meetings or activities.

"Council members are very happy to be able to contribute to this project which will have a beneficial impact for the whole community," said the mayor of Beaubassin-est, Ronnie Duguay. "We are very proud to continue to develop partnerships with our community centers in order to ensure the well-being of the entire population."
