PETL School student council receives \$1,330 grant to host a great Halloween Party

The Beaubassin-est Rural Community Council has decided to give a \$1330 donation to the student council of the Père-Edgar-T.-LeBlanc school in Grand-Barachois for the organization of its Halloween Party. "We had established a partnership in recent years to organize a common party including a Haunted House accessible to the public and as part of the school celebrations," said Mayor Ronnie Duguay. "Not being able to present this activity this year due to the pandemic, the Councillors still wanted to give the budget provided to the student council so that they could organize fun and safe activities at the school to have a great Halloween celebration".

"The school has never been so decorated for Halloween, the students have done a good job," said School Principal, Pierrette Gallant. The student council chose to give a sum to each class and the students decorated around their classes. Council members have also designed a Mini Haunted House for students to visit during the celebrations on Friday and get in the Halloween mood for October 31st.

Reminder of door-to-door instructions

On Saturday, October 31, children can trick-or-treat for Halloween from 2 p.m. to 8 p.m. in Beaubassin-est. We ask people to be careful and follow the rules of Public Health. But residents can decide whether they want to have children at their doorstep or not by placing the door hanger that was mailed.

If you don't want to participate in the door-to-door this year, place the sign on your doorknob on the red side. If you want to participate in the door-to-door, place the sign on the green side. If you need a door hanger, there are some at the municipal office or you can download them at beaubassinest.ca. Call 506.532.0730 for more details.

Beaubassin-est Mayor, Ronnie Duguay, presents the \$1330 donation to the Père-Edgar-T.-LeBlanc School student council President, Maëva Losier Roy, in the presence of the School Principal, Pierrette Gallant, in the back.
