Update for Halloween in Beaubassin-est

Residents of Beaubassin-est Rural Community will be able to get dressed up and enjoy the Halloween festivities if they wish to this year. Door-to-door trick-or-treating will be permitted from 2 p.m. to 8 p.m. on Saturday, October 31, provided public health advice is followed and celebrations are carried out safely.

And in order to make Halloween safer for everyone, we have implemented a new door hanger sign system. This new system aims to give each residence the option of deciding whether or not they wish to have children at their doorstep on Halloween. These door hangers will be mailed to residents in the coming weeks.

If your residence does not want to participate in the Trick or Treat tradition this year, we ask that you place the provided door hanger on your door handle on the red side on Saturday, October 31. If your residence wants to participate in the Trick or Treat tradition this year, we ask that you place the provided door hanger on your doorknob on the green side on Saturday, October 31. If you require more than one door hanger, you can pick up a secondary one at the municipal office.

If you choose to participate, the municipality urges that you follow the recommendations issued by the New Brunswick Chief Medical Officer of Health which are available on the Provincial Government' website at www.gnb.ca/coronavirus.
