## INFORMATION FOR ELECTORS

**Getting on the Voters List:** A person's name must be on the voters list in order to vote. If you are on the list, you should receive a Voter Information card in the mail starting on October 25, 2021. If you have not received a Voter Information card, your name may not be on the list (or not under your current address). You can have your name added to the list by completing an application for addition until November 4, 2021, or at the regular or advance polls when you go to vote. If you have moved recently, but have voted before, your name may be on the list at your former address. Call 1-888-858-VOTE (8683) to have your voter information updated.

**Who Can Vote?** You can vote if you will be 18 years old on or before November 8, 2021, are a Canadian citizen, and have lived in the province for at least 40 days immediately before the date of the by-election, and will be ordinarily resident in the municipality and ward where you wish to vote on the date of the by-election.

**ID for New Voters:** To be added to the voters list, you will need one or more pieces of identification which between them show your name, current address, and signature (but not financial or credit cards). A person without sufficient ID may be vouched for by a voter at the polling station whose name is on the voters list for that polling station.

**Need More Information?** To obtain nomination papers, if you are interested in working at a polling station, for information on special ballot voting for voters unable to go to the polls, or for any other information concerning these by-elections, contact the returning officer for your region as listed above.
