GLASS RECYCLING PROGRAM

Help keep glass out of the landfill.

EcoVision2025 has collaborated with Southeast Eco360 and the municipalities of Shediac, Beaubassin-est and Cap-Pelé to make glass recycling possible in the region. You can now give your glass a second life and help keep it out of the landfill by recycling it. If you have clean glass, separate it into clear and coloured and bring it to a glass recycling site near you! In Beaubassin-est, the recycling site is at the Grand-Barachois Hall located at 1455 Route 133.
