Free Snowshoes Rental in Beaubassin-est

Now that we have more snow, it's time to take advantage of Beaubassin-est's free snowshoe rental program. There are 40 pairs of snowshoes of different sizes at the municipal office located at 1709, route 133 in Grand-Barachois, the opening hours are Monday to Friday from 8 a.m. to 4 p.m., and the procedures have been adapted to follow the instructions of Public Health.

To borrow snowshoes, you must call 506-532-0730 so that we can collect all the necessary information, and then you must send us a copy of a driver's license. A specific time will be set for the collection and return of the snowshoes, which will be done without contact outside. Once the snowshoes have been returned, all equipment will be sanitized and cannot be used for 48 hours.

This program aims to encourage people to practice outdoor activities with people who are part of your family bubble. Note, however, that if you are going on a public trail, make sure you wear a mask and maintain a physical distance of at least two meters from people around you, and remember to wash your hands often during the day.

For more information on the Beaubassin-est Snowshoes Rental Program, contact Pete Belliveau, Community Development Officer, at 506-532-0730 or at pete.belliveau@beaubassinest.ca. This program is possible thanks to a grant offered to the Beaubassin-est Rural Community under the Active Communities Grant Program of the Sport and Recreation Branch of the New Brunswick Department of Tourism, Heritage and Culture.
