

## **PRESS RELEASE**

Friday, June 5, 2020

### **Traffic advisory**

The Department of Transportation and Infrastructure (DTI) wishes to advise the travelling public that delays and lane reductions are to be expected on Route 15, in the Cap-Pelé area between Saint-André Road Overpass and Portage Road starting Friday, June 5 to Wednesday, July 8 between sunrise and sunset. These lane reductions are required to complete milling and paving on Route 15.

DTI reminds motorists to reduce their speed and drive safely when entering constructions zones. The Department appreciates the public's patience when they complete this work and encourages them to check NB511 for updates.
